

# My Positive Plastic Footprint - Upcycle

What new words did you learn in Topic 4? Draw a line to match the words (A, B, C) with the correct picture (1, 2, 3)?

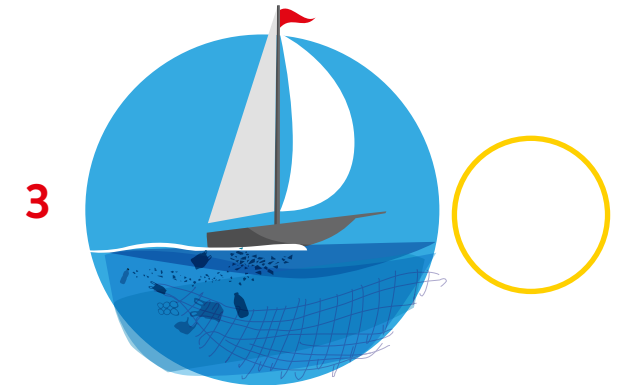

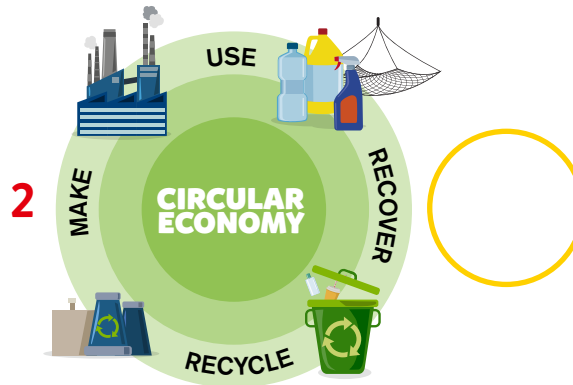

Fill in a happy or sad face if you think each picture is good 😊 or bad ☹️ for Wisdom and the sea

## A - Circular

## B - Ghost net

## C - Entanglement

Fill in the gaps in the sentences below with your new words:

1. The poor turtle was caught in the .....

2. We can ..... plastic to make many different new things.

# My Positive Plastic Footprint - Upcycle

The old plastic items A - E can be upcycled to make new things 1 - 5.  
**Can you guess which new product is made from each old item?**

## Champion challenge:

Can you find anything at home that you can **UPCYCLE** so that you Recover and Recycle and help make Wisdom happy! Bring recovered items to school and reuse them for a fun art project with your class or make something useful with them. Ask your teacher how to make a jump rope from old plastic bags!

---

---

---

---

**Excellent work!**  
**Any other great upcycling ideas?**  
**Write them here so you don't forget!**

# My Positive Plastic Footprint - Lines & Circles

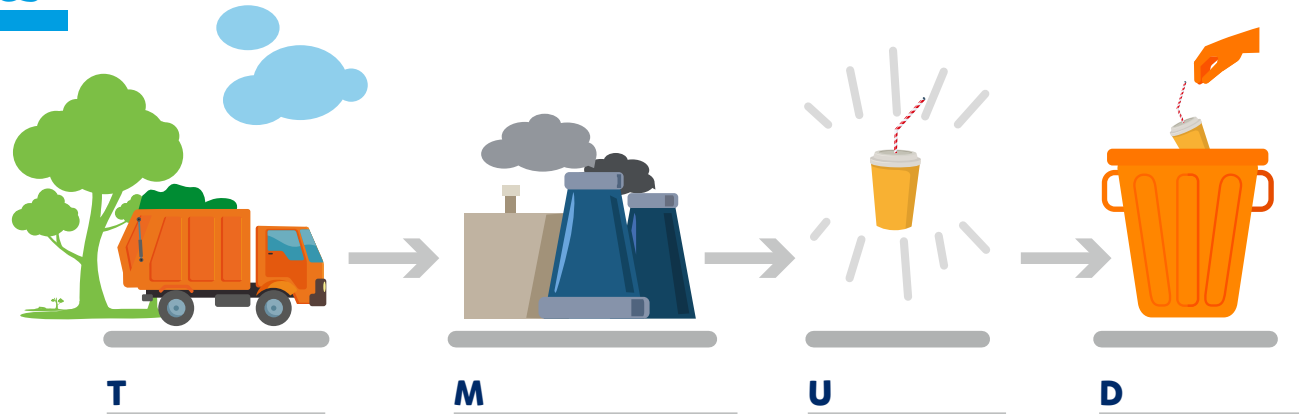

Can you fill in the blanks?

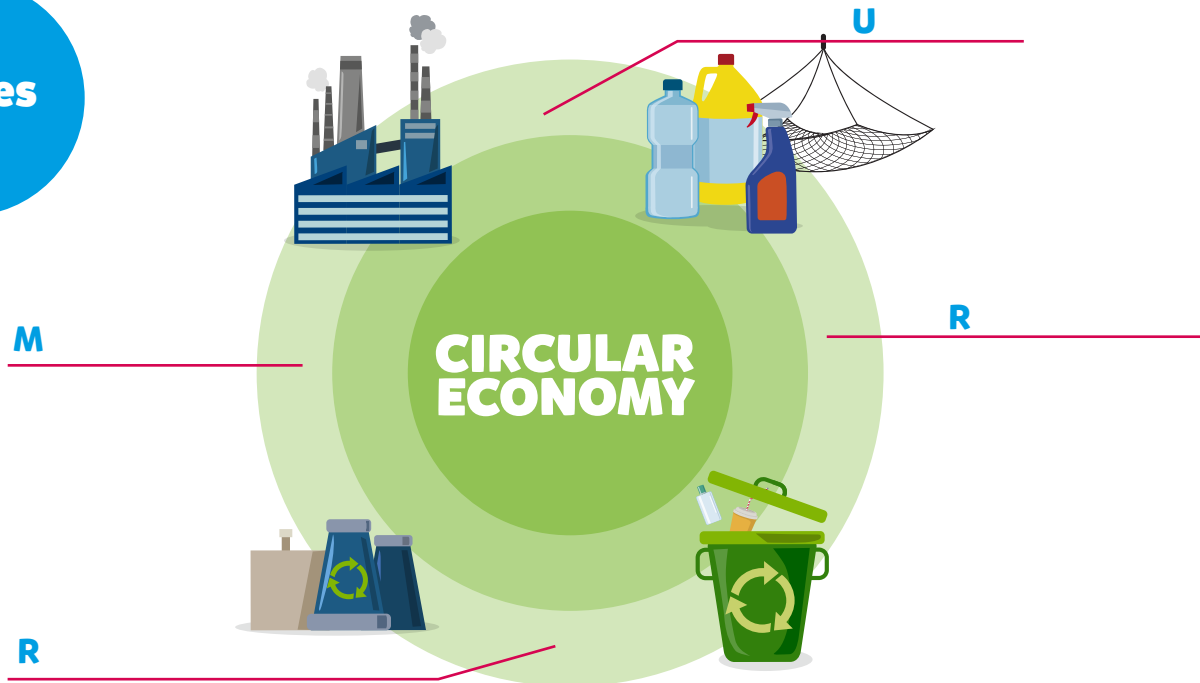

In the spaces complete the words. Each word matches what is happening in the picture. If you need help use the hints in the box.

## Lines

## Circles

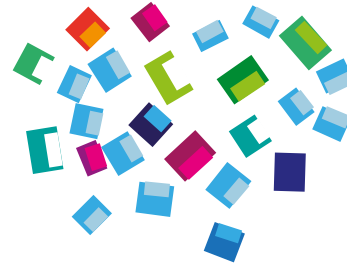

**Hints:**  
Use, Dispose, Recover, Recycle, Make, Take

# My Positive Plastic Footprint

Do you know the right answer to these questions? Circle your answer A, B or C

**1. When you reduce your plastic waste AND also leave a place cleaner than before, what sort of plastic footprint do you have?**

- A. Bigger
- B. Positive
- C. Worse

**2. How can we create a positive plastic footprint?**

- A. By rethinking, reducing, reusing, recovering and recycling
- B. By using more plastic
- C. By putting plastic on the ground in the shape of a footprint

- A. Yes
- B. No
- C. I don't know

**6. Would you like to have a positive plastic footprint?**

- A. Yes
- B. No
- C. I don't know

# My Positive Plastic Footprint

## Champion for the Sea Promise

I  
promise that I will

---

---

---

### Champion challenge:

In this space write a special promise! Remember what you learned in Topics 1, 2, 3 and 4. Think about one thing you can do starting today to keep Wisdom's home clean and reduce plastic pollution in the oceans. For example you could bring your snack to school inside a lunchbox instead of wrapped in film. Write it down here so you don't forget about it! If you keep your promise you will be a Champion for the Sea! Decorate your promise in the space below and draw a picture of what it means. Keep it where you will see it every day to remind you of your promise to Wisdom!
